Suspension Procedures

The following are suspension procedures:

1. Before suspension, the student shall be provided oral or written notice of the charges. If the student denies the charges, the student shall be given an explanation of the evidence and an opportunity to present his or her version.
2. Prior notice and opportunity to respond, as stated above, is not required and the student can be immediately suspended, when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the necessary notice and opportunity to respond shall follow as soon as practicable.
3. Any suspension shall be reported immediately to the student's parent(s)/guardian(s). A written notice of the suspension shall contain a statement of the reasons for the suspension and a notice to the parent(s)/guardian(s) of their right to review the suspension. Also, a copy of the notice shall be given to the Board of Education.
4. Upon request of the parent(s)/guardian(s), a hearing shall be conducted by the Board of Education or a hearing officer appointed by it to review the suspension. At the hearing, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.
