About Us

The Illinois PBIS Network is an Illinois State Board of Education funded initiative to build capacity of schools, families, and communities to promote social and academic success of all students, including those with emotional/behavioral and other disabilities. Key focus areas of the Illinois PBIS Network include:

- **Prevention-based** school-wide systems of positive behavior support
- **Data-based decision-making** for instruction of behavior and academics
- **Wraparound planning** for students with complex emotional and behavioral needs and their families

- **Community-based** supports for families, youth and schools
