Note from the Principal

Congratulations to our recent graduates and I wish you the best of luck in your future endeavors. Underclassmen, enjoy the summer, but remember to keep reading. August 16 will be here before you know it and we want you ready for another rigorous school year at EPHS.

As mentioned, the first day of school for the 2011-2012 school year will be Tuesday, August 16, 2011. This is a full day of school from 7:50 am—3:00 pm, with bus service available. By starting earlier, students will complete their first semester courses before the winter break. Final exams will be Wednesday and Thursday, December 21 and 22. Winter break will begin Friday, December 23 through Friday, January 6. When students return on Monday, January 9, they will begin the first day of the second semester. Students who miss the first semester exams will take the tests after the winter break. Students will not be able to take final exams before the scheduled date. Please note that the entire 2011-12 school calendar is viewable on the district website at www.epcusd401.org.

Students will receive their 2011-12 handbooks at the beginning of the school year. There are several changes in the handbook this year with one notable change in our grade reporting procedure. Starting this fall, grade reports will only be sent home at the semester break- December and May. As always, you are encouraged to access your child's progress and grades through Power-School at www.ps.epcusd401.org. If you are in need of your sign-on information, don't hesitate to contact the office. You are welcome to communicate with staff via the school website at www.epcusd401.org as well. The Tiger Pause will be available to read quarterly on the high school website, under newsletters.

The Elmwood Park High School Football Team and the Booster Club are proud to announce our second annual golf fundraiser. This year it's a shotgun start with dinner. If you or your business wants to join us or help out with this effort please fill out the form below. Your generosity helps our athletes and teams continue to gain an edge on our competition and fight for winning seasons and championships representing our community respectfully. There are various ways you can help. You can sponsor a hole where your business is advertised on a sign displayed during the event. Perhaps you can donate gifts or certificates for raffle prizes. Join us golfing and meet the coaches and booster club members for a great time on the greens and dinner. It is relationships with you that give the athletes at Elmwood Park High School the opportunity to compete at an elite level.
